

## Save the Date! New Hampshire TechFest 2009

FIRST Robotics Team 241 of Pinkerton Academy invites you to join us on Saturday, November 14<sup>th</sup> for New Hampshire TechFest 2009, a day of discovery and learning in the areas of Science, Technology, Engineering, and Mathematics (STEM).

NH TechFest '09 will be an all-day extravaganza of enlightening science and technology demonstrations, hands-on activities, and overall cool experiences. Along with multiple interactive mini-workshops, there will be displays and demonstrations of the latest developments in science and technology including robotics, industrial machines, safety devices, and research equipment. Many scientific and technical organizations will also be on hand to educate students and parents about educational and career opportunities.

Music, games and entertaining lectures will also be offered. The main event will be an apple-tossing trebuchet contest, featuring teams of middle and high school students from throughout New England. Team registration is open now!
